**SHOW** — 8:00 a.m. Judge: John Shuman, Byers, Colorado.

**SALE HEADQUARTERS** — Prince Edward Hotel, Brandon. Make reservations directly to G. Laliberte Mgr., indicating you are attending the Canadian International Sale.

**HEALTH** — The cattle will be sold in compliance with the Health Regulations of the Dominion of Canada and this will make the animals eligible for entry into the various provinces and to cross the U.S. border. Since several states have special requirements all buyers should be aware of their own health regulations, any special requirements, etc. as all sales are final.

**TERMS** — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Checks are to be handed to the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

**INSURANCE** — Insurance will be available at the sale.

**GUARANTEE** — The cattle will be sold under the guarantee which is printed in full elsewhere in the catalog. Where footnotes appear in the catalog they were furnished by consignors or written from information supplied by the consignor.

Canadian Shorthorn Sales Inc., sponsors of this event, or the individual consignors cannot be responsible for any accidents that may occur. Every person attending must assume risk of injury to himself. The guarantee shall constitute a contract between the buyer and seller of each lot. Neither the sale manager nor the auctioneers, nor the clerks assume any liability of any kind. They were employed by Canadian Shorthorn Sales Inc. for specific tasks, promotional and clerical and have nothing to do with the handling of the cattle or the condition of the premises. The sale manager can assume no liability for the fulfillment of guarantees or errors in health papers.

**Recording in the U.S. Herd Book** — The special fee levied by the American Shorthorn Assn. on animals imported from Scotland, their sires, dams, etc., where applicable to cattle purchased in this sale by U.S. buyer will be paid by the consignor. All other cattle will be transferred to the new owner in the Canadian herd book and it will then be the responsibility of the U.S. buyer to pay the additional \$10 fee required to transfer from the Canadian to American herd book.

**BY-BIDDING** — Any consignor proved to have been "by-bidding" will be barred from all future participation in the Canadian International Bull Sale.

**MINIMUM BID** — Any bull not receiving the minimum bid of \$400 will be withdrawn from the sale ring.

**SALE MANAGER** — Harris Simons, 16 S. Locust St., Aurora, Ill., U.S.A.

## WELCOME

It is with a great deal of personal satisfaction that I have watched the Canadian International Bull Sale grow into one of the truly outstanding events of the breed anywhere in the world. Six years ago when the decision was made to move the sale from Toronto into the center of the beef producing country, it was my great pleasure to see Brandon selected as the site. From the record breaking sale of 1964 until the present it has been apparent that the move was a good one.

The main purpose, however, of this introduction is to thank all those from the various Provinces and States who have helped the sales committee in accommodating, selecting offerings and arranging the many necessary details. Their assistance has gone a long way in making these sales the success they have been

Also, we wish to thank the Mayor, alderman, their associates, and the people of Brandon who have been so hospitable and generous in both a material and friendly way.

## **A MESSAGE FROM THE SALE MANAGER**

The farsighted dream of a dedicated group of men has now become a reality. The men behind Shorthorn Sales, Inc. believed that a Shorthorn bull sale of worldwide importance could be established on the North American continent. The record of the past eight years shows that the Canadian International is just such a sale. For the past several years it has out averaged, by a substantial margin, the great Perth sale in Scotland and has thus, justly earned its name "The Perth of North America." During the five previous sales in Brandon 262 bulls have sold for \$290,570 to average more than \$1,100. To be sure, there have been some record price bulls . . . the record top is \$8,100 established last year. However, more than half of the bulls sold have brought less than \$1,000 and thus the sale serves the great commercial beef industry as well.

The bulls accepted for this sale are carefully selected by the individual consignor. To insure that sound, acceptable bulls are offered the sale committee retains the right to sift any bull found to be unsatisfactory. Just one more guarantee that you will be buying only the best.

We look forward to having you attend the sale this year. Throughout this catalog is information to make your travel and shipping plans easier. Please feel free to call on any member of the sale committee or sale staff for assistance.

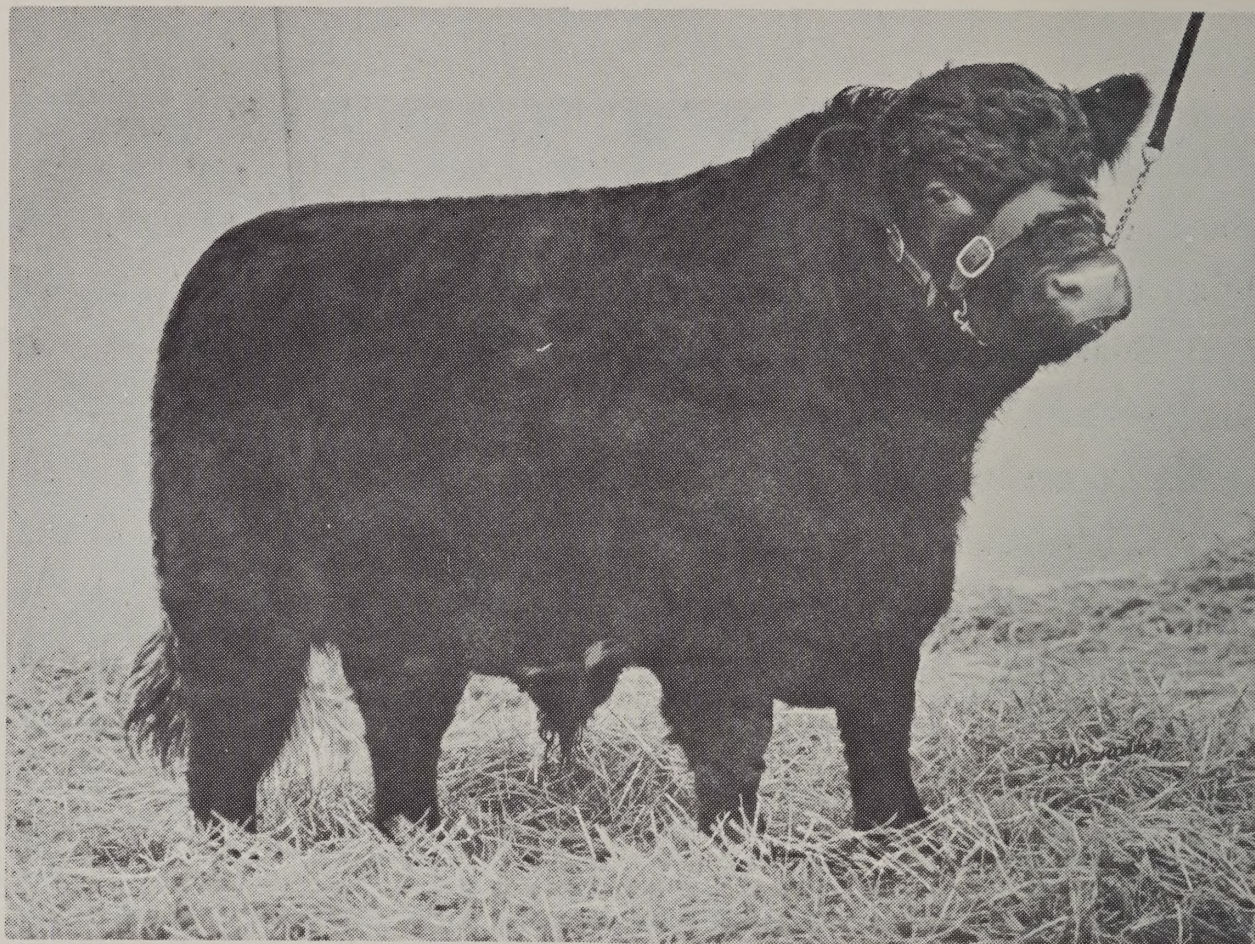

Sincerely,  
HARRIS SIMONS, Sale Manager  
16 S. Locust St., Aurora, Illinois 60506

**STRATHORE CONSTELLATION** — Sired by a grandson of both imported Bapton Cavalier and the 2,350 pound Beaufort Bog Oak. This big, easy moving prospect comes by his modern type naturally. His dam by the 1958 C.N.E. reserve champion Strathore Knockout has a full sister that is very promising and you will note she is from a daughter of Bapton Constructor and out of the 1955 Brandon, Ottawa and C.N.E. reserve champion female Charming Cecilia. Shown successfully, Constellation was a member of the first-prize get-of-sire and second prize group of four at Ottawa 1968.

WOODY HILLS RAMSDEN — This bull is a big, strong, well fleshed bull. He is long bodied good headed bull. He weighed 1,650 at two years of age this summer and has come right ahead this fall and winter. We have also used this bull on a few cows. He is out of a dam we purchased by Louada Brunel AAA. In 1968 he was made champion four times and reserve champion three times. These two-year-old bulls were members of our group of four animals we showed this past summer. We had a record of seven — firsts; two — seconds; and one — third in the group class out of 10 shows we attended this summer. This bull would look good anywhere.

Remitall Banner, grand champion of the 1967 Canadian International bull sale and sold for \$8,000 to John Shuman & Sons, Byers, Colo., and Davidson Ranch, Elizabeth, Colo.

## WHY LOOK FOR YOUR BULL IN BRANDON AT THE CANADIAN INTERNATIONAL BULL SALE?

Whether you are a leading registered breeder or a quality minded commercial cowman, Brandon is the place to find the kind of Shorthorn bulls that will show profit and progress in your beef program.

A glance at the table below will show that there have been some high priced bulls sold, but further study will also show that more than half of the bulls have sold for \$1,000 or less, well within the range of commercial herds.

Bulls from this sale pay their way:

Example!

Remitall Banner sold for \$8,000 in the 1967 sale to John Shuman and Sons, Byers, Colo. and Davidson Ranch, Elizabeth, Colo. In the Shuman production sale this past fall his first five calves sold at auction totaled \$10,925.

Example!

Bapton Toreador sold in the 1964 sale for \$5,000 to Mains Farm, Poulsbo, Wash. He resold in their 1967 sale for \$10,000 after extended use.

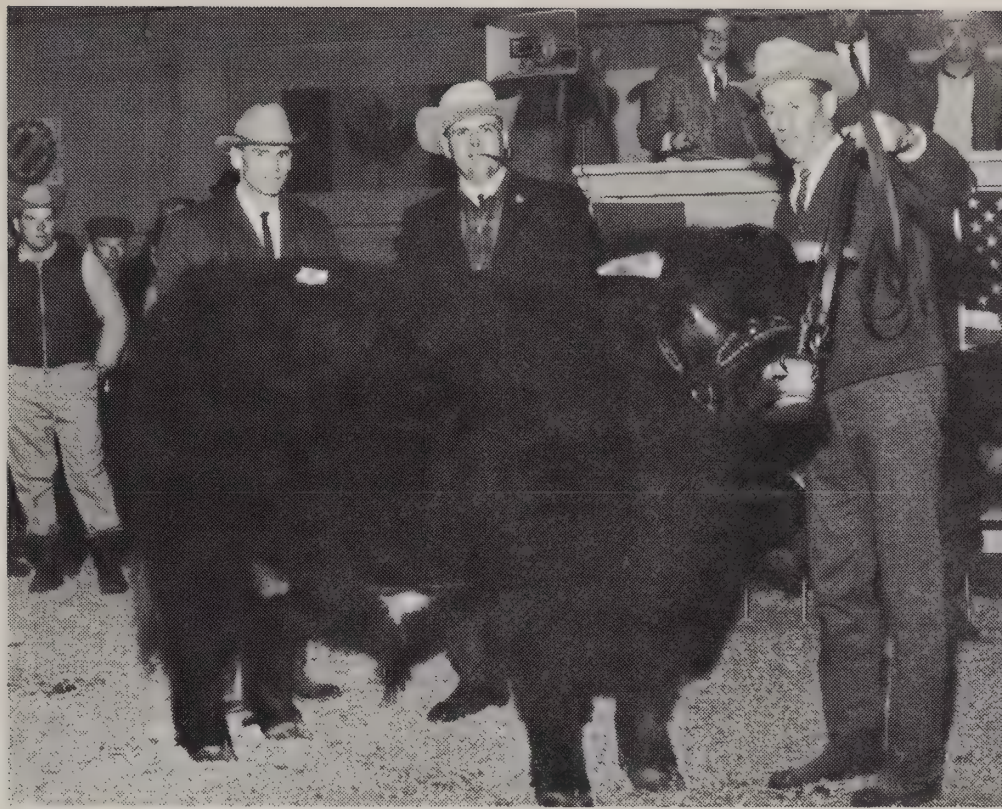

How they have sold in the five Brandon Canadian International Bull sales:

|                   |    |
|-------------------|----|
| Less than \$500   | 46 |
| \$500 - \$700     | 80 |
| \$750 - \$1,000   | 42 |
| \$1,000 - \$1,500 | 46 |
| \$1,500 - \$2,000 | 17 |
| \$2,000 - \$4,000 | 22 |
| Over \$4,000      | 9  |

262 bulls have totaled \$290,570 to average \$1,109.

His 205-day adjusting weight was 517 pounds; 365-day adjusting weight 913 pounds. Average daily gain on test 2.94, grade 14. On Nov. 20, 1968 he weighed 1,230 pounds; .35 inches of actual fat covering; 14.54 actual square inches of loin eye; 2.10 square inches of loin eye per 100 pounds of carcass.

## THE PERTH OF NORTH AMERICA

The original purpose of this sale was to give purebred breeders and quality minded commercial men a place to come for outstanding Shorthorn bulls. This has been accomplished. For the past two years this sale has out-averaged the world famous Perth sale in Scotland. Although bulls have sold here for as much as \$8,100, there have been many sold in the \$500 and \$1,000 range that have moved into leading commercial herds throughout the area.

REMITALL CRISCO — By our junior sire, Remitall Dandy Argosy. The dam is one of Hercules' top daughters that are adding size to their calves. You will notice that all our entries are carrying this blood. We pulled Crisco from a large group of bulls and although thin you will like his length, bone and character. This Constance cow family produced the \$8,000 Remitall Banner to John Shuman, Colo. The \$5,300 Remitall Ideal Mint to Lovely and Glantz in Montana. **REMITALL SENATOR** — One of the twin calves that everyone admired so much at the time of our May sale. Senator is a growthy calf weighing 1,230 pounds on Dec. 20th at the Olds Auction Mart. His dam, one of the most beautiful of cows, is the mother of such bulls as the \$8,100 Remitall Gold Emblem, last year's champion and record seller at Melbourne Farms. The 1966 sale top at \$3,500 to Melbourne, Remitall Captain Jim, who made history this last fall when his first seven sons averaged \$1,060 more than the bulls by other sires in the same sale, coming away with a \$1,697 average (congratulations to Big Jim). Another son, Remitall Baronet 2nd was the 1963 Denver grand champion selling at \$3,500 to Cliff Hill, Salem, Oregon, where he bred very successfully. Still another son Remitall Triumphant was one of the high sellers at Denver to Tom Hawkins, Hollister, Calif. Another son Remitall Broadway, did a stellar breeding job for Cory Scrimsher in Idaho. This cow, one of the breed's greatest, is a fantastic producer of large, sound, good doing, great breeding cattle. Ours is the fortunate herd to have her in our team.

**REMITALL DESPOT 2nd** — By Remitall Hercules as was Calgary's 1966 champion and top seller of all breeds the \$4,800 Remitall Choice Mint pictured above. You will all remember the big Hercules son Justin that was purchased by Glen Powell & Son in the 1967 sale. A large Hercules daughter capped the 1968 summer shows winning the supreme championship at the P.N.E. If it had not been for Choice Mint, here in the breeding stud and one of his sons this calf would never leave Remitall. We would be very pleased if the buyer would agree to let Despot return to Remitall to be in our show herd and we would deliver him in mid-summer. Despot weighed 860 pounds on Dec. 20. A twin sister to Saltoun Wilma Wimple is one of the best cows at Norman Hogg's Ettrick herd being the dam of their junior sire Ettrick Sir Winston.

ROTHBURY DYNAMIC LEADER 17th x — It was a hard decision but we have decided to offer this great calf in this sale. He has to be the greatest stock bull prospect we have ever produced. His sire Kinnaber Leader 5th x is easily the best bull we have ever used. We have only sold four of his daughters, they averaged \$1,000 as yearlings in our June sale and sold to Remitall Cattle Co., and C. B. Carignan. The 100% dehorning Leader 5th is one of the biggest modern bulls in America today. He averaged 2,265 pounds one week before his third birthday after running with 64 cows as a two-year-old. Dynamic Leader 17th's mother, Rothbury Cinderella Phylis is one of our most valuable cows. Her sire Kelburn Insignia left a great group of females and is now in the herd of Martin Nold, Gettysburg, S. D. He was from the great Clipper Beatrice line of females. Princess Pam 4th was a big 1,500 pound great producing cow sired by Kelburn Monarch 148th. The Monarchs were the biggest and best bodied cattle ever produced by Claude Gallinger. A great pedigree is useless without an animal like Leader 17th to go with it. No distance is too far to travel to see this calf. His official Government weaning weight was 700 pounds. We offer two-thirds interest and full possession and would like to retain show rights through to Chicago or Denver if buyer is agreeable.
